ANNOUNCEMENT! "Environmental Game???

August 18, 2021

Minecraft … Facebook … PUBG … “SaveEarthCraft”

VR: “The Environmental Protection Social-Media Game”

Coming in 2022!

EnviroAI’s inspiration …

---“If protecting the environment worked more like ‘MineCraft’ or ‘Fortnite’ or ‘TikTok’ … my kids would already have earth protected.”

- Jed Anderson, CEO, EnviroAI

SaveEarthCraft

- Join together with different people via the internet with different skillsets and backgrounds, launch remote-sensing tools and investigative bots (like EnviroAI’s TrackBot) as you maneuver with your team around your environmental target area, and solve environmental problems to earn points

- “The Environmental Protection Social Media Game” will be marketed to FaceBook and LinkedIn
