Bunch of Einsteins . . .

August 25, 2021

solving environmental problems.

---“They’ll be a bunch of Einsteins solving environmental problems.”

- Jed Anderson, EnviroAI

---“There are no hard problems, only problems that are hard to a certain level of intelligence. Move the smallest bit upwards [in intelligence] and some problems move from “impossible” to “obvious.” Move a substantial degree upwards, and all of them will become obvious.” — Eliezer Yudkowsky
