POST

Churchill & the "Environmental Metaverse

October 28, 2021

Microsoft----Best video I've found describing underpinnings of the metaverse …

---"We're building a playground for human minds to collaboratively solve environmental problems in fun and new ways."

- Jed Anderson, EnviroAI

Here is the best video (https://r20.rs6.net/tn.jsp?f=001EWiGePBsdR-_yZFe9gLgSEu4Dct_-muIFXKpVeqSvvDt45Mh2IdJWSE1yqVOpp8F1i5pmR0zypbh_6D1npKiucM62nJs8C6EV78_cJ59YUUMDPOQ05IYzKbCU-EO3LrQzLE5JUpEDm5gcMTczltuw8L6xj9bphNFMDBeYz2olnmlw5e9eJdLUlqDOqOK73X0&c=&ch=) I've found describing the underpinnings of an environmental metaverse:

"EnviroVerse"

---The environmental metaverse …

"Let's do an audit together!"

"Let's do an inspection together!"

"Let's do a Phase 1 together!"

"Let's do a permit review together!"

“Let’s respond to an environmental emergency together!”

---“Building a dedicated environmental internet for the benefit of nature and humanity.”

- Jed Anderson, EnviroAI
