COPY OF EVERY FACILITY . . . in the Environmental Metaverse!!!

November 24, 2021

EnviroVerse Copy and Creation of “Environmental Digital-Twins” that anyone anytime can audit, inspect, prepare a permit for, conduct due dilligence on, etc.

DIGITAL COPIES!

---“We’re creating an environmental digital copy of every facility in the United States for display and use in the environmental metaverse.”

---“We already have all the facilities in the United States. Now we’re just loading up more data and providing customers with more virtual tools.”
