Criminal Investigation . . .

December 7, 2020

… this morning I'm helping another client being interviewed by environmental criminal investigators.The incident occurred at a Fortune 500 company.

I love protecting my clients, but I hate sitting across the table in these interviews and watching the fear in my client's eyes. Often its a situation they had little control over.

CRIMINAL RISK

In addition to helping companies outsource pollution (http://r20.rs6.net/tn.jsp?f=0016twMoUzxME2LpctRU5rZR6QH-WTldZalPDaSXMjgbFSkMcWT-BbmIeuT41DzwKyRe8e5CMRPi-3GotkRK1aVQDj7zINgVKYWjLAdVcvDE7PHPVmaUVElE9ggjcD3MtaeKZZ5bl4yPwIxt36SoeRQOXU_7a-P_iM_uLw2CPZewHKHvY2k7CuvgNJw_CXsh7-yrWtzm7iBD7JMbV9IWnr30TetvWFaOTCFo5Y3fKs2Ubo=&c=&ch=) where possible and reduce environmental liability risks, we're also helping companies by using artificial intelligence to identify potentially questionable regulatory interpretations and higher risk behaviors.
