EnviroAI Corporate Headquarters to Open in Houston's New Innovation District

January 28, 2022

“Over 200 employees, building a machine to protect earth—we are going to have so much fun!” - Jed Anderson, CEO, EnviroAI

---“Initially we were hoping for $10 million in investment. Then discussions became $30 million. Now it’s $100 million.” - Jed Anderson, EnviroAI

EnviroAI to Open Corporate Headquarters in Houston’s New Innovation District

Exciting times in Houston. Houston is developing a new “Innovation District”. EnviroAI was accepted to Greentown Labs last year. EnviroAI will now be locating its corporate headquarters in the Innovation District.

Initially EnviroAI will be looking to locate 100 employees in the Innovation District, with 150 employees over-seas.

“We run a a 24/7 coding operation. Our over-seas team codes at night, we turn around the code during the day. The key to technology is speed.

It’s a faster world.

It’s a smaller world.

It’s a more integrated world.

EnviroAI stands at the forefront of connecting the environmental and digital worlds with the human world.”
