POST

Exxon Board

May 30, 2021

“It’s not Congress and EPA driving environmental change anymore … it’s money and technology.”

---“Stocks replacing laws.” - Jed Anderson, Attorney & Environmental Entrepreneur

Non-Governmental

Environmental

Protection

-The answer to protecting the environment isn’t artificial intelligence, quantum computing, and remote-sensing … its love.

“The public and corporations are starting to protect the environment on their own. At EnviroAI, we’re creating the technological tools to help them do just that.” - Jed Anderson, CEO, EnviroAI

Building a Privatized Environmental Protection System using Machine-Learning and Quantum Technologies

EnviroAI

Nature. Humanity. Freedom.
