$ Trillions in ESG Money---Texas Petrochemical Industry to Attract the Green to Go Green to Make Green

“Show us the money.”---Texas Industry

$Trillions in ESG

—“I’m gonna see how much of this trillions of dollars in ESG money I can attract to Texas through the projects I’m working on, and how much money I can help make the energy and petrochemical industry by attracting green to go green to make green.”

—Jed Anderson, Environmental Entrepreneur

The world’s largest industrial emissions reduction project.
