Helping EHS staff during crisis

April 10, 2020

Allowing environmental professionals to remotely access data and automate certain environmental research/review tasks

HELPING EHS STAFF DURING CRISIS

Ceres AI is helping environmental professionals during this crisis by providing them remote access to data and automating certain environmental research/review tasks.

Ex/ The user below is pulling up all the NPDES facilities in Deer Park and reviewing their discharge information and agency filings/permits.

INTELLIGENCE.DATA. POWER. SPEED
