POST

Human environmental regulations will largely become obsolete

Originally written: March 1, 2024 · Published here: May 13, 2026

“Human environmental regulations will largely become obsolete. We simply won’t need them anymore.”- Jed Anderson, Creator & CEO, EnviroAI

???????You never change things by fighting the existing reality. To change something, build a new model that makes the existing model obsolete.? - Buckminster Fuller

??????”If I had asked people what they wanted, they would have said faster horses.” - Henry Ford

???????The world is changing very fast. Big will not beat small anymore. It will be the fast beating the slow.? - Rupert Murdoch

???????The young do not know enough to be prudent, and therefore they attempt the impossible, and achieve it, generation after generation.? - Pearl S. Buck

??????”To dare is to lose one’s footing momentarily. To not dare is to lose oneself.” - S’ren Kierkegaard

???????To improve is to change; to be perfect is to change often.? - Winston Churchill

???????Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it’s the only thing that ever has.? - Margaret Mead

??????”In the middle of difficulty lies opportunity.” - Albert Einstein

??????”Do not conform to the pattern of this world, but be transformed.” - Romans 12:2

???????They always say time changes things, but you actually have to change them yourself.? ? Andy Warhol — ???????Unless someone like you cares a whole awful lot, nothing is going to get better. It’s not.?? Dr. Seuss — ??????”We cannot become what we want by remaining what we are.” ? Max De Pree — ??????”The only way to make sense out of change is to plunge into it, move with it, and join the dance.”? Alan Wilson Watts — ??????”People will try to tell you that all the great opportunities have been snapped up. In reality, the world changes every second, blowing new opportunities in all directions, including yours.” ? Ken Hakuta — ???????Courage is fear that has said its prayers.?? Anne Lamott
