I can't see impossibility . . .

February 27, 2021

---“I can’t see impossibility.”- Jed Anderson, Environmental Entrepreneur

---“I just can’t see impossibility. This can drive my family and everyone else nuts sometimes. But I just can’t see it. They tell me it’s there. They tell me that things are impossible. They tell me if I would just acknowledge this things would be easier. But I just can’t see it. I just can’t see impossibility even when someone points it out. What is likely preventing me from seeing impossibility is faith. I spend a lot of time working on faith. One of the blessings and curses of faith however is that you see the world very differently than most people, and what looks impossible to the world just looks like a matter of faith and effort to you.”

---“By 2050 there will be no more pollution.”

---“Truly I say to you, whoever says to this mountain, ‘Be taken up and cast into the sea,’ and does not doubt in his heart, but believes that what he says is going to happen, it will be granted him.” - Mark 11:23

---“If you have faith the size of a mustard seed, you will say to this mountain, ‘Move from here to there,’ and it will move; and nothing will be impossible to you.” - Matthew 17:23

---“If you have faith and do not doubt, you will not only do what was done to the fig tree, but even if you say to this mountain, ‘Be taken up and cast into the sea,’ it will happen.” - Matthew 21:21
