POST

If you thought the ChatGPT moment was revolutionary, just wait

Originally written: March 25, 2025 · Published here: May 13, 2026

“If you thought the ChatGPT moment was revolutionary, just wait until the quantum computing moment arrives’it will fundamentally rewrite our relationship with nature, transforming environmental protection from a fight against chaos into a symphony of renewal.” ? Jed Anderson, Environmental Futurist, Creator & CEO of EnviroAI
