It's arrived!

September 10, 2020

“Intelligent EMIS”---A More Powerful Environmental Management Information System

It’s arrived! We just keep building and delivering new environmental AI applications to make people’s lives better!

A MORE POWERFUL ENVIRONMENTAL MANAGEMENT INFORMATION SYSTEM

DAY-TO-DAY TASKS

DASHBOARD

Optional Drone Package

---“Our system is unique in that we harness the power of both internal and external data.

It’s augmenting human performance and internal systems with big data and artificial intelligence.

More data. More intelligence. More profits.”
