“Is my activity legal?”----New Environmental Legal Services Offering with Machine-Learning---Help Protect Yourself and Your Company

… It’s a brand new environmental legal services offering! … with the help of machine-learning!

Is it LEGAL?

---Consultants can perform the engineering, but they can’t give you a legal opinion as to whether your actions are actually legal or not. We can.

---We use machine-learning (https://r20.rs6.net/tn.jsp?f=001ePXK2kRr8eS1_tTjTdD96hEsrzVcbjmWW4MUd-7gIgmcofxF6IF4wyhRpOF3S0c3L9R3FuwZLKjSRejC73kBkBgCZOFIATvPM1TGhhU3XIeD2s4308ohPeKTGX1cgLeYyv1E3KeItsDH7xQWeWOybQ==&c=&ch=) to help evaluate and verify that your course of action or consultant’s course of action is consistent with applicable case-law, regulations, laws, constitutional principles, guidance, and agency decisions.

Protect yourself and your company.

Get more peace of mind.

Legally verify your work.
