POST

Loud Reaction to "AutoConsultant" . . .

September 17, 2021

TCEQ and consultant's reaction …

NO FEAR!

I'm hearing fear amongst consultants and TCEQ regarding the development of "AutoConsultant" (see below).

The tractor didn't replace the farmer.

Artificial intelligence will help environmental professionals produce more and exciting new 'intellectual crops'

Plow More

"Mental Farmland"

with EnviroAI

If you enjoy filling out forms …

The future will not be very fun.

If you hate filling out forms …

The future will be much more fun.

Tired of filling in forms?

Tired of performing certain tasks needed to complete forms?

---“EnviroAI is developing a machine-learning application called “AutoConsult” that runs as a plug-in on top of TCEQ’s electronic submittal website, STEERS (https://r20.rs6.net/tn.jsp?f=001UM_FD6uw-JdtPmtlHagAYbGqbxUmGKGTHoCjhFUdSfVw5PtGqsvtAfHZSjt26zEGLSIDifRRZrGCJXm1EN7mUPHxdy-szG0ytdAgkhrQ6pQCqS9EMxkFVXKfanXHVI6G6YgsjBNJpUqP5gJHIy3VKToDbucY_X_S&c=&ch=).

AutoConsult is being developed not only to autofill information from our database into the forms, but also automate certain application tasks such as determining distance limitations (ex. 500’) using satellite images and machine-learning.” - Jed Anderson, CEO, EnviroAI

Simpler is better.

Expected Beta Unveiling: March 2022 (we’ve already completed one form!)
