POST

Massive fire . . .

April 8, 2021

Chemical facility in Channelview

Massive fire at chemical storage facility in Channelview …

Here is some of the data immediately available on EnviroAI …

---“Our goal is to help prevent and respond to these incidents by providing automated remote-sensing capabilities and real-time environmental data and environmental response insights.”

- Jed Anderson, CEO, EnviroAI

ROBOTIC DRONE

ROBOTIC BASE

- Automatically responds to environmental and safety incidents … day or night

(electronic signal from any alarm can trigger automatic take-off and flight to where the incident is occurring)

- Flies pre-scheduled automated preventative environmental, health, and safety missions
