Millions & Millions & Millions of Documents

December 27, 2021

---“The power of this tool is getting ridiculous.”

MILLIONS AND MILLIONS AND MILLIONS AND MILLIONS OF DOCUMENTS THIS INTELLIGENCE TOOL IS NOW DRAWING DATA AND LEARNING FROM

---“Part of our approach to building a machine to protect the environment is feeding this AI tool as many regulatory documents from across the country as we can. As the NLP models we employ advance, and we continue to refine them for environmental problem solving, the tool starts to learn how to protect the environment on its own.”
