Faith. $3 million invested. Courage.

NO FEAR.

FAITH.

Too much fear in the world right now. Faith. Courage.

Ceres AI has invested approximately $3 million in its technology to help improve environmental protection and lower company's compliance costs. We will spend even more. No fear. No paralysis. No waiting for better weather. Courage. Sweat. Faith.

Now is the time that all of us faith people love. A time where it's especially needed.

I wish all of you joy and peace on the mountain climb. The sun is always behind the clouds. All is well. All is always well.
