POST

Privatizing . . .

May 3, 2021

… environmental protection

Will companies start to protect the environment on their own accord?

\

Yes!

Privatization of Environmental Protection?

---“Curiously, we’re beginning to see some privatization of environmental protection. If EnviroAI’s systems for example using machine learning, big data, and remote-sensing are protecting the environment, you really don’t need as much regulation.”- Jed Anderson, CEO, EnviroAI
