Small" and "Negative" Thinkers . . .

February 8, 2021

“Small” and “Negative” Thinkers …

---“The biggest challenge I have every day with bringing about an environmental renaissance in Houston and America is dealing with small and negative thinkers. I just want to throw my arms around them and try to convince them that they are wonderful, that all is well, and that if they think positive and big not only will the world environmentally change, but they will change.” - Jed Anderson, Environmental Entrepreneur

THINK BIG.

THINK POSITIVE.

GO BE WONDERFUL TODAY.
