POST

Tesla's secret . . .

March 28, 2021

battery storage area in Houston area and expansion at the Independence Industrial Environmental Enhancement Center

Tesla

“Environmental Enhancement Center” La Porte, Texas

---“We have approached Tesla to include them as partners in our project to build the world’s largest industrial environmental enhancement center (http://r20.rs6.net/tn.jsp?f=001tlKuI-OoeO1IIp2EeDYdL61IAvI1vpQuOv-iJ4EGj5Ki7HQT8peQcVZJNYw-W2iL8w1ZEZcfVI2e2W2PKK9KJ47SJy79_qNvOXkLBzdgOgFgQsqteQKO6Qn6S4X-gyiTWhjXISHg3Ph-KJ7bqLw5zCivpSOwccRYXDoadslzqqoWE2s8ui3Orpt08RmQXPXFJfFhiyw9awTVBhSmrHL-nKxhpP44Q0s3vRz8ihKIBfY=&c=&ch=). We have purchased the land (http://r20.rs6.net/tn.jsp?f=001tlKuI-OoeO1IIp2EeDYdL61IAvI1vpQuOv-iJ4EGj5Ki7HQT8peQcfWXImoWqgL2qODjBAnchhss8QGnVjkUrc0SvMeh3XhvwrIGr4Rj91v-phvqnr9jJl4tKrpqmPlws9uC1KL-OI-30aQXyDVkRA==&c=&ch=). Now the fun part begins.

The environmental and financial monetization opportunities for our project continue to expand. Energy in the form of heat value will be flowing into this facility. The plants we service have significant power and steam needs, but not all of this energy can be use contemporaneously on site.

This project will be a win-win-win for everyone involved … and especially a win for the environment and the community.”

- Jed Anderson, Attorney & Environmental Entrepreneur

---“We as industry won’t just protect the environment … we’ll make the environment even better!”

- Jed Anderson
