The Environmental Enlightenment

February 7, 2021

Stars have aligned …

---“I picked the best time in the world to become an environmental entrepreneur.”

- Jed Anderson

The Environmental Enlightenment … The Environmental Renaissance.

It’s here!

Earth projects that go beyond compliance, beyond permitting … to beyond wonderful.

Quantum AI Earth Protection Machine

- Petabytes of environmental textual data being scraped and machine learning applied
- Remote sensing systems integrated into AI data gathering and intelligence analysis platform (automated drones, open-path FTIR, fixed optical gas imaging, satellites)

World’s Largest Industrial Emissions Reduction Project

- Service contracts with 3 petrochemical companies under negotiation

- Option on 450 acre industrial tract secured and due diligence completed
