This is the most powerful and transformative document I've ever

Originally written: September 16, 2025 · Published here: May 13, 2026

This is the most powerful and transformative document I've ever written. What can we learn from Black Holes about protecting the environment? EVERYTHING. I'll attribute the magnitude of the thoughts and ideas in this paper 98.999% to God. 1% to A.I. And 0.001% to Jed … though I've probably exaggerated my contribution. Read here …
