POST

# Tired of forms?

September 16, 2021

“AutoConsultant”------TCEQ Form-Filling and Application Preparation----New App in Development!

Tired of TCEQ forms?

Tired of filling in forms?

Tired of performing certain tasks needed to fill in forms?

---“EnviroAI is developing a machine-learning application called “AutoConsult” that runs as a plug-in on top of TCEQ’s electronic submittal website, STEERS (https://r20.rs6.net/tn.jsp?f=001VOcHsdWghDWrRbUJpkhwlwq3MbIGRyIBrljoKEGt-UdXR1k9dPCXBzRmUDSIa03H08vJKH-cXmtYYLu3aKcNKOzQORYqbCse4EVTLerYUqF4LlhZiqM68H4bds_2xlq93WjtAANeg38diRzEo87jRqivLisd9lLi&c=&ch=).

AutoConsult is being developed not only to autofill information from our database into the forms, but also automate certain application tasks such as determining distance limitations (ex. 500’) using satellite images and machine-learning.” - Jed Anderson, CEO, EnviroAI

Expected Beta Unveiling: March 2022 (we’ve already completed one form!)

Pre-Order Now for Early Access and Discounted Rates
