We’re inside the fence!

Explore emissions points for Texas facilities. “Zoom-in” and see the unit, control, and emissions details.

---“The greatest value of a picture is when it forces us to notice what we never expected to see.”—John W. Tukey

—“This feature really got people’s attention. I think the Texas environmental professional community just woke up to the power of artificial intelligence. Simpler. Faster. Better. It’s augmented human environmental intelligence for those who choose to wield it.” —Jed Anderson, Creator, Enviro AI
