POST

When we finally see that trees, humans, and machines all

Originally written: August 18, 2025 · Published here: May 13, 2026

“When we finally see that trees, humans, and machines all speak the same language of bits, a door opens: intelligence reveals itself as substrate-independent, and we may summon a new Maxwell’s Demon’powered by AI and rising quantum technology’not to exploit nature, but to guard it. An environmental angel of information, born to protect life from entropy.” - Jed Anderson, CEO, EnviroAI #Nature #Information #EnvironmentalProtection #AI #Quantum #Future
