Who's the smartest?

November 5, 2021

... environmental expert overall in the nation right now?

---"I probably only have an IQ of about 100 ... yet I'm confident I'm the smartest environmental expert overall in the nation right now (though perhaps it might be another EnviroAI user)."

- Jed Anderson, EnviroAI

---"Essentially we're using AI to harvest the intelligence of other environmental experts across the country."
