POST

Your hidden power . . . revealed

January 19, 2021

Several of the 10,000 of you sent me this article: "Humans Won't Be Able to Control Artificial Intelligence, Scientists Warn" (http://r20.rs6.net/tn.jsp?f=001lBnRz65MMcBkZP2h3g2IdextlflX9zRmwyKkCGY7Bju7iamWLq7vXO07RJ0Z5lyJ00MQxhWMXJ72KN61nPUQYYmSsKJzq-M7NH-5po-vmfKY4BN2F4RbssxBxaTDRsE3y-TWpS6jPu8ZrspGBKtwhISl68IDPJ6hlbpwiACM0c0=&c=&ch=)

Of course not. Only human arrogance would think that we could control something magnitudes smarter than us. What's fascinating to me though is that AI has a limit that, once reached, will unveil and unleash the unique and untold powers of humanity.

AI will not be able to connect with God.

Once superintelligence reaches this limit, the feeblest member of humanity will be looked upon by this superintelligence in complete awe.

---"Awe. Wonder. Amazement. We are primarily spiritual beings with a hard-wire connection to the most powerful force in the universe."- Jed Anderson
